Dear Parents:

As the parent of a student attending a school that receives Federal Title I funding, you have the right to know the professional qualifications of the teacher(s) and instructional paraprofessional(s) who instruct your child.

Federal law requires every Title I school district to comply and to provide you with the requested information in a timely manner. All schools have on file a listing of faculty members and their professional qualifications.

If you would like to know the professional qualification information regarding your child's teacher(s) or paraprofessional(s), please call the school to set up an appointment with the principal.

We look forward to a productive school year and thank you for your continued participation in your child's education.

Sincerely,

Phyllis Santiago, M.S. Ed
Principal/Title I Coordinator
