Hello,

My name is Victor Gonzalez. I am the Director of Security and I am excited to announce that I will be taking on the role of the Athletic Director for CHAD. I am looking forward to my new roll at CHAD and combining the two departments, Safety and Sports. Both are a passion.

Since I arrived at CHAD in 2005, I have been an active participant in sports, acting at one time or another as the head coach of the boys and girls basketball team. Over that time, I have come to see the good that can be achieved through students participating in sports.

In my role as the Athletic Director, I will continue to foster an environment where striving for excellence, commitment to a common cause, and the joy of being part of a team are ingrained in our students on a daily basis.

I look forward to working with the teams, coaches, students, and parents to ensure the athletic program is a success at CHAD. The following sports are offered at CHAD this year:

Cheerleading – Girls and Boys

Bowling – Boys and Girls

Varsity Basketball – Boys and Girls

Jr Varsity Basketball - Boys and Girls

Baseball and Softball – Boys and Girls

On a final note, I am always interested in hearing from the CHAD community about our sports programs. If you have any suggestions, want to talk about any of the programs, or would like to find out how you can participate, please do not hesitate to contact me.

Thank you,

Victor Gonzalez,
Athletic Director
